## The Next Generation of Rich Media

## **Designed to Increase:**

Engagement • Click-Through • Conversion

### Travel Suppliers Owners/Operators Upload rich media:

- > Videos
- Images
- > Articles
- **>** Offers
- > And More

#### **External Marketing**

- > Websites
- > Social Media

#### **Internal Sharing**

- Marketing & PR Agencies
- > Employees
- > Property to property

#### **Management and Marketing**

Organize and host your rich media assets and then enjoy easy search and sharing capability in an ad free environment. Effective and efficient support for your social media marketing needs with just one keystroke. This means instant sharing from the hosting site, eliminating the need for a secondary hosting platform.

# Powerful Distribution

Added distribution to leading industry outlets, including multiple consortia networks, targeted hotel industry publications, the TripWriters blogger platform, industry event leader, Travel Massive, as well as popular consumer travel channels.

# Data Analytics and Insights

Sophisticated tracking analysis including custom URLs to increase organic search, branded links, and internal content sharing.
